**LANGUAGE  
TEACHER**

# I teach English & Spanish

*Since 2019, I have been working as an independent online teacher for a Chinese-based language teaching company called Talk915 (说客英语.) Within five months of being hired, I was featured on their website's home page as one of the four best teachers on the platform. By that time, I also entered the top 3% teacher ranking and have not left the list since.*

*At Talk915 I have taught students from all levels and ages and have thoroughly enjoyed it. After having conducted more than 18400 classes, my positive reviews are proof that my students enjoy my teaching method and are satisfied with the quality education I am able to provide them.*

**CURRICULUM  
DESIGN**

# I create effective curriculum

*In 2019, Talk915 invited me to produce a special Spanish summer camp course for Chinese children. The course was comprised of 21 lessons, including two checkpoints and one final review lesson. Initially a pilot program, the original Spanish summer course experienced great success and the company decided to keep and expand it.*

很幸运能上到Jesse老师的课, 以前听很多学员朋友说过老师有多牛, 今天终于体验到了, 从发音、上课的亲合力以及课后评价都是那么的完美, 终于知道他为什么能成为许多孩子心目中的男神了。

*I was very lucky to be able to attend teacher Jesse's class. I have heard many students and friends say how amazing the teacher is. Today I finally experienced it. From the pronunciation, the affinity of the class and the evaluation after the class are so perfect, I finally understand why children like him very much.*
